ISSUE 1

SEPTEMBER/OCTOBER 2018

WOBURNARTGALLERY@GMAIL.COM

Welcome to our first ever newsletter which we hope to send out periodically to let you know what's happening.

As ever the core group will always be represented but their work will change regularly.

The core group consists of  
 Jill Varone  
 Lisa Campbell  
 Irene Foster  
 Sam Burke  
 Abby Cork

We are a 'not for profit' business and exist solely for our artists and those that wish to purchase. We think this makes us quite unique. We also value feedback from our customers

New artists in this month include:  
 International artists—Painter Jan Munro and Sculptor Jeni Clarke (see STOP PRESS) Garden Sculptor Laurie Keck Terry Wood Acrylic Painter (3 or which sold before they were even hung)  
 We also have the ever popular International award winning artist David Wells and Oscar winner and sculptor Hilary Audus with her quirky ceramic birds.

Lots of lovely glass, ceramics and jewellery too if you want to get ahead for Christmas—Sorry!

Woburn Art Gallery is in the Market place behind the telephone box at the back of the cobbled area.

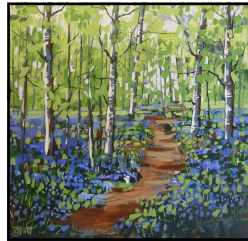

**STOP PRESS:** We were burgled last week which has left us devastated for the artists involved. It seems they targeted our newly arrived bronzed-resin work by Jeni Clarke and Len Gifford.

Please search on social media for any items like these being sold on. They are unique.
