

WOBURN ART GALLERY

ISSUE 8
2020

wish you a Happy New Year

Happy New Year to all our
Friends of Woburn Art Gallery

We'd like to thank you for your continued
support as we run into our second year.

So what for the future? New flooring and
heating has made **us** very happy anyway.
We have some exciting things lined up
which will reveal themselves as we come
out of hibernation and into the better
weather.

More workshops are planned and,
please, if you have any suggestions we'd
be delighted to hear them.

We have some innovations in the pipeline
which will enable you to see what other
works of art we have available which we
don't have the space to show. All a bit
high tech but we do have access to
youngsters you know!

Our next change over of wall art is
February 20 so if you wish to see any-
thing you liked before Christmas now is
your chance before they go out of sight!
