

WOBURN ART GALLERY

MARCH 2020

Gallery Update 2

Friends of Woburn Art Gallery

Although the gallery is temporarily closed and boarded until the Government advises us otherwise we are still very much working in the background. We are still open through the website, taking enquiries and even orders. You certainly can't see them through the boards. Call us or take a look on our new improved website.

Have you ever thought of commissioning a piece of work? We may be able to help especially at the moment.

We are all in same situation and fully understand the frustrations it causes. The upside of this is time to do things you have been putting off! Writing old fashioned letters or your memoirs??! Bet your drawers are tidy now?? And gardening in this glorious weather!

There is no truth in the rumour that the first week we are open all our volunteers will be topless. It was in fact 'A Lie'..... April Fools!

Seriously though, this newsletter has been drafted many times and each day the C-19 situation changes. We know that some of you reading this are in total isolation. We are here if you need to 'speak' to someone. All our 'friends' are very special to us! Keep in touch.

Stay safe!
